

# NomaTherm

A photograph taken from inside a tan tent, looking out at a lush green forest. In the foreground, a blue quilted water-heated blanket is laid out on the tent floor. To the right of the blanket, a silver water bottle with a black cap and a black hose is standing upright. The scene is lit with warm, golden light, suggesting late afternoon or early morning.

**Water heated blanket**  
ideal for disaster relief and remote areas

# PRODUCT FEATURES

**No electricity needed.  
Compact, portable, and reliable.**

# NomaTherm
